

**One Hundred First Legislature - First Session - 2009**  
**Introducer's Statement of Intent**  
**LB 299**

---

**Chairperson:** Greg Adams  
**Committee:** Education  
**Date of Hearing:** January 27, 2009

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 299 would add a member representing Fire Safety to the Nebraska Safety Center Advisory Council in Neb. Rev. Stat. §85-1008. When the Council was created in 1978, the Legislative Intent (§85-1001) was to include a member representing Fire Safety. However, the members listed under §85-1008 did not include a representative of Fire Safety. LB 299 would correct this apparent oversight.
